

# Enjoy the security of a lifetime warranty

We expect you to enjoy your Leather Creations Custom-Crafted Original for years to come.

That's the way we craft them. To back that up, we provide you with the most comprehensive warranty available. Essentially, it says; for as long as you own your Leather Creations manufactured piece, if you have any issue due to a construction defect, we'll fix it free.

## What's covered?

Essentially every part of the furniture, including:

Local transportation included. Out of local Delivery may incur transportation charges

You'd expect furniture like this to cost more.  
The nice thing is, it doesn't.

## Lifetime warranty

on the following:

**Frame and Springs:** Leather Creations will repair or replace any defective spring or frame.

**Pillows:** Leather Creations will provide free fiber for as long as you own the furniture.

**Cushions:** Leather Creations will replace any foam cushion or spring down cushion if the cushion collapses. It is natural for cushions to soften; this warranty covers collapse.

**Zippers:** Leather Creations will replace any zipper that fails.

**Breather Cloth:** Leather Creations will replace any breather cloth that fails.

**Stitching:** Leather Creations will repair any loose stitching.

**Workmanship/Padding:** Leather Creations will remedy any workmanship or padding issues.

**Leather:** Warranted for two years against manufacturers defects.

**Mattress and Air Bladder:** 1 Year

Other parts not manufactured by Leather Creations (*Sleeper/Recliner/Motor/Hinges/HT tables and cup holders, etc*) are warranted for parts for as long as you own the furniture and for labor for 3 years.

## What does "lifetime" mean?

Lifetime means for as long as you own the product. This warranty is non-transferable and does not cover intentional misuse or abuse. It is only for furniture used in residential environments.

## And still more protection.

It's also comforting to know that whatever the problem, we can make your Custom-Crafted Original like new. All of the details for each piece we craft – leather, color, style, stitching, ornamentation – are kept on file. If something should happen, just contact us. We'll help you make it new again.

## Ultimate protection.

Because accidents happen, we offer a 5 Year Accidental Protection Plan that protects you against events not covered under manufacturers defect warranty such as: stains caused by food, drink, household cleaners, ink marks, plus burns, tears, and punctures. Ask your leather specialist for program specifics.
