FROM BEGINNING TO END Let us help you CREATE WHAT YOU IMAGINED

In more than two decades we've custom-crafted many thousands of fine leather furniture pieces – and we've learned a lot. We're ready to put that experience to work for you – from helping you choose the style, color, and leather that you want to helping make sure that the piece you choose fits perfectly where you want it.

We'll be glad to visit your home and take the necessary measurements, then deliver your piece and put it in place.

Let us help – it's all part of owning a Leather Creations custom-crafted original.

All sizes are approximate and silhouettes are not style specific. Great care has been put into these measurements but because we handcraft our furniture there could be a 1-3 inch discrepancy. If you have specific dimensions, please be sure to give us those measurements so we can give you a guaranteed measurement.

Your vision.
Your choice.
